Dear Parents,

Your child has most-likely told you about the required **4H Speeches** that will be presented at the end of March. If not, you may want to ask THEM! :)

Although we will be instructing students on how to write a speech, they will need to do quite a bit of researching, revising, editing, and practicing at home. Please help them grow in confidence by working with them whenever possible.

If you haven’t noticed, “Henry E. Baker Intermediate” is always posting something on Facebook! If you have yet to “friend” us, please do so soon! You’d be amazed at the activities & accomplishments that occur here on a daily basis by students, and teachers, alike!

~Imagine Teachers~

**Important Info and Dates**

- **Sat., March 4** - Good luck to our 5th Grade Academic Team as they travel to West Irvine Elementary for competition!

- **Mon.-Fri., March 6-10** - Baker’s Book Fair!!!

- **Tues., March 7** - (5:00-7:00 PM) “Academic Showcase Night” at Baker! Join us for some fun & fellowship!

- **Thurs., March 9** - Grandparents’ Day (during lunchtime)

**Make No Bones About It!**

4 Team Imagine students wrote a letter to Baker’s administration regarding some concerns they have with the facilities. They then obtained permission to circulate a petition to the student body regarding these ideas. Not only are these concerns thoughtful and helpful to all students at Baker, but the process these gentlemen took is even more impressive!

Congratulations, Boys!
Christian, Jackson, McCaden, Jacob

**More Ways to Connect**

**What are we learning?**

**English Language Arts**

**FOCUS:**
The Writing Process as it pertains to On-Demand 4H Speeches  
Textbook Story: “Lunch Money”

**Skills:** Author’s Purpose & Voice

---

**Math**

**Topic 11**  
(Multiplying & Dividing Fractions & Mixed Numbers)

\[ \frac{3}{4} \times \frac{5}{2} = \frac{15}{8} = 1\frac{7}{8} \]

\[ 1 \times 4 + 3 = 7 \]

\[ 2 \times 2 + 1 = 5 \]

---

**Social Studies**

**Chapter 7:**  
The Revolutionary War

- How did the American Revolution affect people’s lives?
- What were some of the important early events of the Revolutionary War?

---

**Science**

**EARTH SCIENCE!**  
(Geosphere)
