I have read and do understand the school driving and parking regulations in the handbook.

A valid driver's license, or an intermediate permit with an orange sticker indicating the student may drive alone during daylight hours, and proof of insurance must be shown before applying. If you hold only a driver's permit, you are ineligible to apply and ineligible to be on the waiting list.

As a parent or legal guardian, I grant my permission for the above-mentioned student to apply for a parking permit at GRC. I am willing to assume the legal and financial responsibility for this student to operate a vehicle on school property. I have read the entire application, and all statements are factual.

NOTE: Six (6) unexcused absences or six (6) unexcused tardies will cause a loss of parking privileges for ten (10) school days. Nine (9) unexcused absences or twelve (12) unexcused tardies will cause revocation of parking privileges for the remainder of the school year (the student will be reimbursed the prorated portion of the original cost). These amounts are cumulative as the school year progresses. Also, leaving campus without permission (skipping) will result in loss of parking privileges for 10 school days.
